

# Overland trip to Persia

## Trip Details:

Tour starts in Slovenia mid of September heading to Moscow, Kazakhstan, Uzbekistan, Kyrgyzstan, Tajikistan, Turkmenistan, Iran and Turkey. The overlanding trip follows old cultures, historical sites and special landmarks. Several pick-up and drop-off points are planned such as Bishkek, Samarkand, Mashhad and Tehran where the crew changes. Overall we travel through some very remote and also exotic places covering approximately 20'000km. I (Beat) will join the trip in Mashhad Iran 10th November and travel to Istanbul and return on 6th December, stay tuned.

## LandCruiser Classic HJ60 CouplerTec:

Fully renovated and TJM equipped Cruiser with Bullbar, 12'000lbs Winch, HD suspension, Hutchinson wheels, ProLocker front and rear, Xenon and LED Lights, Snorkel, Rear bar with spare wheel and jerry cans, Roof rack, Roof tent, 4 Chains, 4 TRED traction help, InReach Explorer and various GPS. The 24V Cruiser is IBS equipped with 12V board net with new In-CarCharger DBM20A, 24V-Monitor, 300W Ultra Sine Inverter, extreme Aire compressor. 30 year old off-road technology built for toughest travelling conditions, some rough weather conditions are expected, though we are prepared.

## Tracking available from 10th Nov-6th Dec:

The car is equipped with delorme inReach Explorer Iridium Satellite Navigation and communication device:
